## What You Need to Know about Overdrafts and Overdraft Fees

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We offer standard Overdraft Protection which comes with your account.
2. We also have Courtesy Pay that you must opt-in for.

To learn more, ask us about these options.

What is the Overdraft Protection coverage that comes with my account?

We do authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions made using your checking account number
- Automatic bill payments

We do not authorize overdrafts for the following types of transactions unless you opt into Courtesy Pay using the form below:

- ATM transactions
- Everyday debit card transactions

*We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction. If we do not authorize and pay an overdraft, your transaction will be declined.*

### What fees will I be charged if North Towns Federal Credit Union (NTFCU) pays my overdraft?

Under our standard overdraft practices:

- We will charge you a fee of \$30.00 each time we pay an overdraft.
- There is no limit on the total fees we can charge you for overdrawing your account.

**What if I want NTFCU to authorize and pay overdrafts on my ATM and everyday debit card transactions?** You may “Opt-In” by completing the form below and doing one of the following:

\*Federal regulations establish the maximum number of remote transactions that can be made each calendar month on Share Accounts. Members may not make more than six transfers and/or withdrawal transactions on their Share Account by check, draft, debit card, PC, Telephone Access Line, Online Banking, telephone or written instruction. Transactions made in person, by mail or at an ATM do not apply.

(2) If a NTFCU Debit Card transaction occurs, an ACH transaction occurs, you write a check, you perform a transaction by any other electronic means, or you take other action that results in your Account becoming overdrawn, NTFCU may pay the item which exceeds the balance in your account up to \$300, including fees. If at any time the limit has been reached, items that exceed the limit will be returned unpaid and you will incur a charge for a returned item due to insufficient funds (NSF fee). Accounts are subject to closure if a negative balance remains after 10 business days. Whether or not the overdraft will be paid is discretionary and NTFCU reserves the right not to pay. For example, NTFCU typically does not pay overdrafts if your account is not in good standing, you are not making regular deposits, or if you have too many overdrafts. Your account may become eligible for Courtesy Pay after the account has been open for a minimum of 60 days.
